

Smarter Home Security

Imagine if you could secure your home from anywhere, even while you're on vacation.

Our revolutionary security and home automation service, powered by Alarm.com, enables you to always know what's happening at home. With notifications, video monitoring and interactive security, you can be confident the people and things you love are safe.

Connected Security

Our system withstands common vulnerabilities to keep you protected when you need it most.

Dedicated Cellular Connection:

Reliable, secure communications. No phone line required.

Tamper Resistant: Works if the phone is cut, the internet is down, or the power goes out

Mobile App: Control your home no matter where you are with one, easy to use mobile app

Always Aware

Knowing what's going on at home is the next best thing to being there.

Instant Alerts: Get an alert delivered to your phone anywhere in the world

Monitoring When Disarmed: Get notified of what matters to you regardless if the system is armed

Personalized User Codes: Know who is coming and going

Smart Automation

Stay safe and comfortable with a system that adapts to your needs.

Rules: Create custom rules to automate your home

Scenes: Set the perfect environment with the click of a button

Geo-Services: Automatically change settings and get notifications, based on your location

Unexpected Activity: Your system can learn your normal routine and alert you when something out-of-the-ordinary occurs.

"Reliable, professional, precise - the smart choice!"
